5) MARKETING – BRIDGE THE GAP

20

6) FAI PARTNERS

21

7) FINANCES

- a) For a few years now, FAI is running on deficit (except for the ASCs through their sanction fees), and the past and current partnerships were not able to close that gap.
Opportunities to raise revenues are coming from
 - Events
 - Membership
- b) The current presentation of the FAI Budget with a split between FAI HO and Sports operations is not representing the FAI activities correctly.
