We recommend flying to Copenhagen Airport (CPH). Quality Hotel View is only 18 minutes with train away from Copenhagen Airport. The train runs every 20 minutes during the day and every hour during the night. Take the Öresund train in the direction of Malmö. Get off at Triangeln station. The station is less than 300 meters from the Hotel.

The hotel is located at Malmö's largest shopping street with shops, cafés and restaurants right outside the entrance. Airport buses, local buses and train station are close by.

Malmö's weather in January is cold with temperatures of 0 °C and 3 °C degrees. It is recommended that you dress in warm clothes and remember to bring your mittens with you! There is little to no rain at all in Malmö during January, which makes it easier to explore the city. °.
