# ORGANIZER'S EXPERIENCE

ASA "Phil Phoenix" from Prilep has organized international competitions in free flight models at every level.

Traditional competition "Prilep Cup-Trophy of Prilep" since 2000, "Macedonia World Cup" from 2012 and several years "Niksic Cup".

We have also the successful organization of the 2016 FAI Junior World Championships, and the 2017 and 2019 FAI Junior European Championships.

This year, the biggest challenge awaits us, and that is the organization of the FAI 2022 European Championship For Free Flight Model Aircraft
