## PROPOSAL FOR MONDIAL STYLE WORLD CUP, 2005

Skydive Arizona would be interested in hosting a World Cup of Formation Skydiving, Canopy Formations, Artistic Events, and Freefall Style and Accuracy Landings in 2005.

### Proposed schedule

Friday, October 21: Judges arrive.

Saturday, October 22: Judges seminars. Teams arrive.

Sunday, October 23: Official Practice.

Monday, October 24 through Friday, October 28: Competition

Saturday, October 29: Competition completed by 2 PM, followed by closing ceremonies, banquet, and party.

Sunday, 30 October: Departure.

### Special Information

Prices do not include transportation, lodging or food. All teams will be responsible for procuring transportation, lodging and food. Hundreds of hotel rooms are available within a 20 minute drive and food service will be available at the competition site.

Prices are based on a \$US 25 sanction fee for competitors only and are based on each registered competitor being charged once, whether they enter one, two, or three events.

Competitors may enter multiple events within their discipline (example, CF Rotation and CF 8-way Speed) but may not cross disciplines (example, no cross from AE to FS.)

Travel is included for the Chief Judges and IPC Controller. All other judges will receive food, lodging, and local transportation. Two price plans are presented. The first includes no assistance to offset judges travel cost. The second includes \$400 per judge (other than CJs) to assist with their travel expenses. Note that events with a high competitor to judge ratio are not greatly affected by this option, while those with a low ratio see a substantially higher entry fee.

### Entry Fees

	without judge travel allowance	with travel allowance
FS:	\$445 for one event, \$625 for two	\$480 for one, \$660 for two
CF:	\$455 for one, \$565 for two, \$675 three	\$495, \$605, \$715
AE:	\$465 for one, \$590 for two	\$540, \$665
SA:	\$525 for one, \$625 for two	\$620 for one, \$720 for two

Accompanying Personnel: \$75 (no sanction fees)

Late Registration: \$100
