Comments

1. Again in 2016 a nominee is No 1 of the experts ranking list who had been nominated the second year in a row. So please, don't miss the chance to apply again, if your candidate didn't win.
2. Some applications are made when the nominee is quite young (16 or 17 years). In that case, experts are in doubt whether a schoolboy or a schoolgirl needs our scholarship and rate in favour of older candidates.
3. Moneys transfers lasted far too long. One reason was the demand of the rule ABR A.19 e) not to refund any expenses of the scholarship winner but to ask the NAC related to compensate directly bills of universities or shops. That system didn't work and the Bureau filed a new proposal I kindly ask you to support (CIAM General Rules 17 A.14)
4. According to ABR A.19 d) "The Plenary Meeting awards the Scholarship".
