FAI Electric Flight World Cup 2013

F5B Electric Motor Glider

This year we had 7 World Cup events – first time on 3 continents - in

- Austria
- Germany
- Italy
- Japan
- Switzerland
- USA (Hawai)

With totally 72 competitors out of 14 countries. Unfortunately we had non in the Pylon Racing class F5D. Thanks to all organizers and helpers for your good job and also to competitors for your fairness. I hope that we can have a F5J World Cup 2014.
