Subcommittee F3 Radio Control Aerobatics Report 2013

Dear all,

Munich, Nov 05, 2013

the Subcommittee F3 Radio Control Aerobatics has worked actively in a very cooperative way, with a number of results achieved during the last year's periode:

- Successful votes on Subcommittee proposals at the CIAM-Plenary 2013 resulting in a further refinement of the Sporting Code Volume Aerobatics and the introduction of F3A schedules A-16, P-17, F-17 and F3P schedules AP-15, AF-15.
- Review of Subcommittee members before May 1st (currently 24 members).
- Various spot meetings with Subcommittee Members and members of the „Judges' Forum“ during the F3A World Championship 2013.

For the coming weeks and months the Subcommittee work will adress:

- Discussion and Subcommittee votes on eventually concerning NAC proposals (CIAM-Plenary 2014).
- Collection of bids for future championships in aerobatic classes.
- Development of „Airsport Promotion“ formats within aerobatics.
- Set-up of the „road-map“ for development of Subcommittee proposals (CIAM-Plenary 2015)

The first ever F3P World Championship 2013 at Coburg, Germany was a perfectly organised and a very exciting event, as was the F3A World Championship 2013 at Meyerton, South Africa. For further details, please refer to the respective Jury Reports.

Thank you for your attention.

Best regards

Michael Ramel

CIAM Chairman Subcommittee F3 Radio Control Aerobatics
