

## **2003 TROPHY REPORT**

**by CIAM Secretary, Luca Gialanella**

At this moment, we have 58 trophies registered: 39 are World Championships trophies, 4 are dedicated to European Championships and 15 are reserved for World Cup classes.

In the last years, with the help of FAI jury members who must be thanked for their cooperation, we made a complete check of our trophies' conditions. Some repairs to present trophies in better shape have been already done: F3A Individual and Team trophies, for example. Now repairs have been planned for the F3B Individual Trophy and the two trophies (Individual and Team) awarded at the European Championships in class F3A.

I would remember that, according to rule B.17.4.a (now B.19.4.a), <the holders are responsible for maintaining the trophies in good condition>. It was decided that CIAM Bureau monitoring will continue each year.

The five trophies missing at the 2001 Free Flight World Championships in USA were delivered to the winners at the 2002 European Championships in Hungary and at the 2002 Junior World Championships in Slovakia.

The situation of trophies is enclosed to this report.
