

# 2008 TROPHY REPORT

*by CIAM Secretary, Massimo Semoli*

At this moment, we have 81 trophies registered: 46 are World Championships trophies, 14 are dedicated to European Championships and 21 are reserved for World Cup classes.

The help of FAI jury members is continuously required in order to check the proper conditions of our trophies.

The Trophy Report Form is never used.

Since the holders are responsible for maintaining the trophy in good condition, the CIAM Bureau monitoring will continue each year.

Improvement for proper managing the transfer of the Trophies and the verification of their condition is required.

The Secretary proposed the Bureau to evaluate a new process including a new Trophy Report Form.

The “Ernest Kopecky Memorial Trophy” for F1D WCh Longest Flight requires a base extension in order to add new champions names.

Modification process has to be established.

The “Ernest Kopecky Memorial Trophy” for F1D WCh Longest Flight and the “Rushbrooke Trophy” for F1D World Champion were not transferred to the awarded champion Ivan Treger of Slovakia. The trophies were left in USA. Their transfer is in progress.

The “Challenge Baron Mike Donnet” for F3B WCh team has been repaired, adding the missing plaque, by Mr. Herrig of the Germany team, the present holder of the trophy.

The “King of the Belgians Trophy” for F3A WCh, that required to be repaired, has been restored by Mr. Bob Skinner.

The “Jack North Memorial Trophy” for General Classification F1A/F1B/F1C ECh has been awarded on 2008, at the ECh in Bulgaria, to Great Britain. They found it damaged and with the wrong protective box. The Russian NAC previous, holder of the trophy declined to be responsible, since no complaints have been reported by the Bulgarian organizers. Great Britain NAC are going to repair the trophy at no cost for CIAM. Investigation is in progress to find the right protective box. Many thanks to Great Britain NAC for their effort.
