

Summary of Paramotor Subcommittee meeting at annual CIMA conference Lausanne, November the 11th, 2010

1. CIMA Paramotor Subcommittee advises to Internal Regulation Working Group to amend Terms of Reference for Paramotor Subcommittee the way it allows to invite specialist and/or advisers to its body and to working groups.
2. Proposal to change of the name of CIMA to "The Microlight & Paramotor Commission of the FAI".

Supported unanimously

3. The CIMA Paramotor Subcommittee empowers the CIMA Bureau to accept formal late bids for either World or European Paramotor Championships 2011, not later than 26th November. The Bureau will raise any questions concerning the organisation before 10th December. The organiser should answer all issues raised by the CIMA Bureau before 24th December.

Supported unanimously

4. The CIMA Paramotor Subcommittee empowers the CIMA Bureau to conduct internet voting to elect the jury and monitor if a late bid for a 2011 Championship is accepted.

Supported unanimously

5. Proposal to support the plan to run a Continental Paramotor League Cup as described in Proposal 16. It is proposed that this be run as a trial in 2011 and a judgement be made on conclusion of the trial.
 - a. Votes for 7
 - b. Votes against 1
 - c. Abstentions 2

Carried by a majority

6. Volunteers for the Working Group to further develop the details of a Continental Paramotor League Cup are
 - a. Wojtek Domański
 - b. Augus Gudmundson
 - c. Jos Vandenbroucke
 - d. Andy Phillips

e. Richard Meredith-Hardy

FAI Sporting Code Section 10 Proposals

01 - CZE - Championship Information System

Not supported

02 - CZE - Role of Monitor

Not supported. Should be in Annex 5.

03 - CZE – Inspection of aircraft

Undiscussed – only relevant to Microlights

04 – CZE - Basic rules for tasks

Not supported. Too complex. Detail too restrictive.

05 – CZE – Publish tasks 60 days in advance

Not supported. Agreed with the need for early publication of the Task Catalogue, but too much detail to be acceptable.

06 – ESP – Change in task proportions (Microlights)

Undiscussed – only relevant to Microlights

07 – ESP – Validity of a championship

Supported

08 – ESP – Spot Landing Score (Microlights)

Undiscussed – only relevant to Microlights

09 – ESP – Spot landing-timed scoring (Microlights)

Undiscussed – only relevant to Microlights

10 – ESP - Use of the Task Catalogue

Supported

11 – ESP – Scoring for cross-country tasks

Undiscussed – only relevant to Microlights

12 – ESP – Director's signature on electronic score sheets

Supported

13 – ESP – Planning in quarantine

Not supported

14 – ESP – Publication of track logs

Supported

15 – ESP – Clock starts when you start planning (Paramotors)

Withdrawn. Should not be in this section.

16 – POL – Continental Paramotor League Cup

Supported. Details above.

17 – GBR – Penalty for attempting to start a task overweight

Undiscussed – only relevant to Microlights

18 – GBR – Accuracy of weighing equipment

Supported although primarily relevant to Microlights

19 – GBR – Cancel 2009 change to Clover Leaf scoring

Unsupported

20 – ESP – Refine the slalom scoring

Supported

21 – EST – Precision ParaBall

Supported

22 – POL – Inflatable pylon

Supported

23 – GBR – Deletion of 4.34.17 (paramotors)

Withdrawn

24 – GBR – Changes to Team scoring (paramotors)

Not supported

25 – GBR – Changes to Team scoring (microlight)

Undiscussed – only relevant to Microlights

26 – GBR – Validity of a championship

Not supported. Not felt that 3 tasks was sufficient to validate a World Championship

27a – GBR – description of tasks

Not Supported

27b – GBR – ratio of tasks (microlights)

Undiscussed – only relevant to Microlights
