4.1.5

Official Bulletins The Organiser of an FCE will prepare two Official Information Bulletins (see IPC FCEAD 3.1) **The information in these Bulletins may not be at variance with anything in the Organiser's accepted bid and the Organiser Agreement, unless IPC Bureau approval for such change has been given.** Bulletin #1 must first be submitted, via the FAI Controller, at least 60 days before the publication date, to the IPC 1st Vice-President, who will ensure that the Bulletin is reviewed by the IPC Bureau, the FAI Controller, the CJ, the CJT (if appointed) and the relevant Committee Chair(s), all of whom have the responsibility to clarify and correct any wrong or misleading information and ensure that any missing information is included. When this process is complete and the Bureau has given its final approval, the IPC 1st Vice-President will ensure that Bulletin #1 is issued and posted on the FAI/IPC website. Bulletin #2 should first be submitted, via the FAI Controller, at least 20 days before the publication date to the 1st Vice-President. Bulletin #2 should in principle only contain new, additional and/or changed information. The 1st Vice-President may authorise publication, unless information already published in Bulletin #1 has been changed, in which case IPC Bureau approval is required for the change before publication. The two Bulletins are to be published on the FAI/IPC website by the stipulated dates. The Organiser may also post these Bulletins on its Website for this FCE
