

2021 Interim Bureau Decisions

DATE	IBD No.	SUBJECT	DECISION
02/08/2021	2021/12	COMPETITION CALENDAR In accordance with the Plenary Decision here: “Due to the fact that not all of the revised bids have been received, President Rayner motioned that the Plenary give the Extended Bureau the authority to review the revised bids and approve them – at least for 2022. The bids for 2023 could wait until the next Plenary unless the Bureau feels there is a need to approve earlier.”	Revised bids for all 2022 and 2023 competitions have been received. All have been approved by the ISC Bureau and the bids will be published on the ISC website as annexes to the 2021 Plenary Meeting Minutes. It was decided to approve the 2023 bids without waiting for the 2023 Plenary in order to give the Organiser (already confirmed by the Plenary) earlier confirmation and to allow the Organiser Agreements to be updated. The FAI Sporting Calendar has been updated accordingly.
